It's been a while since our last update. But we've not been on holiday!

In the months of July, August, and September 2016, we have provided ongoing support to the Future Stars Development and Rescue Centre.

The essential support includes food to ensure the children have enough to eat. The residential children are able to take advantage of three meals every day. The schoolchildren receive porridge in the morning and a good hot meal at lunchtime.

We have also been providing other essential consumables like soap and toilet paper.

The items provided over the last three months comprise:

- Rice;
- Ugali Flour;
- Cooking Oil and Fat;
- Beans;
- Chapati Flour;
- Eggs;
- Fermila (porridge);
- Sugar;
- Daga (fish);
- Stock Cubes;
- Toilet Rolls;
- Soap.
