

Christmas at Future Stars 2014

Dec 25, 2014
by Sarah Woods

Christmas Day at Future Stars has been a great success and enjoyed by all of the children who live at the centre, plus the staff who work so hard to improve the lives of these young people.

Thanks to our supporters, the children were able to enjoy a special Christmas meal including chicken, beef, chocolate, soft drinks, biscuits, and chapati.

They also received a parcel of cards and letters from the UK – for many of these children the first time they have had mail.

I hope that you enjoy this summary video of the celebrations:
